PRIMETIME SERIES PROGRAMMING

ONGOING SERIES

Game of Homes

U.S. premieres continue Tuesdays at 9p/8c

TV-PG (DL)

In the eight-episode series **GAME OF HOMES**, host Cameron Mathison (*Entertainment Tonight*, *Dancing with the Stars*, *All My Children*) guides four teams of amateur home renovators as they attempt to save dilapidated houses that are marked to be torn down and revive them room by room into their dream homes. Prior to the competition, the houses were picked up off their foundation and ceremoniously transferred to massive barges located in the **GAME OF HOMES** arena. Here, the teams will completely renovate the run down structures while living inside their slowly improving homes where they must cope with small budgets, tight deadlines and even tighter living spaces! In each episode, two expert judges (Cheryl Torrenueva and Jeremy MacPherson) along with celebrity guest judges vote for their favorite room renovations based on design and workmanship. At the end of the series, the winners will be awarded with the house they have painstakingly renovated. Energetic, suspenseful and inspirational, **GAME OF HOMES** pits each team's skills, ingenuity and teamwork against each other in the name of crafty design.

- ***So Much Tile, So Little Time* premieres Tuesday, October 4 at 9p/8c**

Outdated, dirty and decrepit bathrooms await each team. In a struggle to gain momentum and impress the judges, the competitors pull out all the stops. But in the end, only one team finishes their room before time runs out.

- ***Second Bedroom, Second Chances* premieres Tuesday, October 11 at 9p/8c**

Another 24-hour challenge causes egos to soar and tensions to overflow. Infighting and rumors of cheating rule the street, causing the teams to turn on each other and themselves. After three weeks of confinement on set, few competitors have the strength to score with the judges. But one team emerges with an astonishing transformation.

- ***Peeling Back Time* premieres Tuesday, October 18 at 9p/8c**

With the interiors finished, Cameron gives the teams four days to attach and transform the exterior of their houses. None of the teams have ever renovated an exterior and their inexperience brings injury and mistakes. In this competition, 60-year-old stucco and shingles are transformed into modern roofs, siding and windows. Front runners fall to the back and the harsh criticism of the judges proves too much for some.

- ***Season Finale: Showdown to Show Home* premieres Tuesday, October 25 at 9p/8c**

In a breathtaking race to the finish, teams have just 24 hours to correct their mistakes from previous challenges before Cameron welcomes the public to view the finished houses. Their vote, along with the views of the judges, will change the lives of one team forever. Who will win a new house and a plot of land in the season finale of Game of Homes?
