Who doesn't love rewarding a family member or close friend for constantly going the extra mile to brighten up your day? In each 30-minute episode of **RENO, SET, GO!**, a family and a team of expert craftsmen led by designer Cheryl Torrenueva and contractor Roger Morin perform a top-secret renovation for an unsuspecting homeowner while they are purposely kept out of the house. Nominated by their spouse or family member, each unknowing party thinks it's just another normal day, but little do they know that they are about to receive an incredible makeover in one major area of their house from a special team of designers, contractors and numerous accomplices paving the way. From start to finish it's a family affair and all hands are on deck as everyone works together to plan the design and execute a custom room renovation in under 36 hours.

But when his 25-year-old brother-in-law, Tristram, asked for a place to crash for a few weeks, Murray and his wife, Tamarah, welcomed him with open arms. Four months later, he's still there and Murray is beginning to feel displaced in his own home. Along with Tamarah's help, Tristram wants to show his appreciation by remodeling the master bedroom to give Murray back his privacy.
- ***Making it Work* premieres Monday, June 26 at 10/9c**
Marie and Charles' son Ashton was born with a rare condition that puts his life in danger daily.
