PRIMETIME SERIES PROGRAMMING

RETURNING SERIES

Game of Homes (Season 2)

Season Premiere Monday, September 4 at 10/9c

TV-PG (L)

The competition renovation series **GAME OF HOMES** returns to Discovery Family for an eight-episode second season featuring new homes, new contestants and a brand-new host. This season, Dave Salmoni guides four teams of amateur home renovators as they attempt to save dilapidated houses that are destined for the wrecking ball and revive them room by room into their dream homes. But before the competition even begins, the houses are ripped from their foundations and ceremoniously transferred to the epic 70,000-square-foot **GAME OF HOMES** arena. Here, the teams will completely renovate the run-down structures while living inside their slowly improving homes for eight weeks where they must cope with small budgets, tight deadlines and even tighter living spaces!

- ***Stairway to Hell* premieres Monday, September 4 at 10/9c**
As the competitors enter the GAME OF HOMES arena for the first time, they must compete to determine which house they will be renovating for the next eight weeks. But as they begin to make plans and settle in, the competitors are hit with a massive bombshell. With just 72 hours to transform their living room, the competitors must deal with hidden surprises, lack of sleep and mounting frustrations. In the end, one team takes an early lead in the competition.
- ***Everything and the Kitchen Sink* premieres Monday, September 11 at 10/9c**
Exhausted from the previous week's living room challenge, all the teams begin week two in a fiery mood. With only 72 hours to turn their kitchens from knock down to knock out, best friends Dom and Michael come to blows, Tyler and Courtney's design decision leaves them in the doghouse with the judges, Alex gets frustrated with his mom for not doing enough, and Kim and Harry's design ideas prove more than they can handle.
- ***There Goes the Neighborhood* premieres Monday, September 18 at 10/9c**
The teams are given just 24 hours to repurpose the smallest room in the house into anything but a bedroom so they head to downtown Toronto to gain inspiration from different neighborhoods. Tight deadlines and tight spaces force the teams to push their creativity – and relationships – to the limit. Dom and Michael's unorthodox design disturbs not only the judges but also the whole neighborhood. RENO, SET, GO! co-host Cheryl Torrenueva returns to the GAME OF HOMES arena to determine the winner.
- ***Feature Wall Faceoff* premieres Monday, September 25 at 10/9c**
The teams only have 24 hours to tackle their master bedrooms. Courtney and Tyler, the only team without a win, decide to take bold risks to impress the judges, while front-runners Shelley and Alex hope to continue their winning ways. Armed with only paint and tape, the contestants are asked to create a focal wall where creativity is the name of the game.
