NEW SERIES

“Anna and Kristina’s Grocery Bag”
Series Premiere – Monday, January 3 at 3:00 p.m. ET/PT (30 minutes)

We’ve all seen beautiful and delicious meals skillfully executed by professional chefs, but what happens when two average home cooks try to tackle the culinary arts? In the new series, “Anna and Kristina’s Grocery Bag,” hosts Anna Wallner and Kristina Matisic focus their efforts in the kitchen, putting popular cookbooks to the test. Each episode tackles one cookbook, with Anna and Kristina recreating the recipes as written and exploring how easy each dish is to prepare. Along the way, they offer entertaining and informative thoughts on ingredients, food-prep techniques and kitchen products. To judge the results, Anna and Kristina are joined by world-class chefs and food experts, who rate the meal and decide if the chosen cookbook delivers on its promises.

**“Mystery Diagnosis”**

**Premieres, Wednesday, January 5 at 8:00 p.m. ET/PT (60 minutes)**

Each year, regular people in all walks of life find themselves experiencing real-life medical mysteries. The ailments they suffer can go undiagnosed or even misdiagnosed for long periods of time. While a doctor’s help is crucial, it is the patient’s true courage and determination for a cure and a quality of life that ultimately helps them navigate a world of medical uncertainties - and find the diagnosis they’re desperately searching for. Mystery Diagnosis features profound stories about everyday heroes who will help change the way we face medical mysteries. In each episode, we meet two patients who have endured strange, and often terrifying symptoms that have defied the experts. The stories are told through intimate interviews with the patients, their families, friends and physicians. Symptoms
emerge. Tests are performed. Specialists are consulted. And still, it’s unclear what’s turning the patient’s life upside down. Their relationships are pushed to the brink. Their finances are strained. Their sanity is often questioned. And it is only because of their will and perseverance to live a healthy and happy life, that a solid diagnosis can be made and their case solved.
